

REMARKS

Reconsideration and allowance are respectfully requested in light of the following remarks.

Claims 14 and 15 stand rejected, under 35 USC §103(a), as being unpatentable over Li et al. (US 2002/0119781) in view of Hwang et al. (US 2005/0025039). The Applicants respectfully traverse these rejections as follows.

Hwang is overcome as a prior art reference in that it is dated July 29, 2004, whereas instant priority application JP 2003-288162 is dated August 6, 2003. A verified English translation of JP 2003-288162 is attached in order to perfect the claim for priority. It is submitted that this priority application supports the subject matter of claims 14 and 15. Thus, it is submitted that claims 14 and 15 are in allowable condition.

In response to Section 2 of the Office Action, the PTO-1449 submitted January 15, 2010 should have referred to "page 1 of 1." A corrected PTO-1449 is attached.

In view of the above, it is submitted that this application is in condition for allowance, and a notice to that effect is respectfully solicited.

Respectfully submitted,

/James Edward Ledbetter/
